

Charles River Expands Strategic Partnership With SAMDI Tech

January 27, 2022

Provides Greater Access to Label-Free High-Throughput Screening Solutions

WILMINGTON, Mass.--(BUSINESS WIRE)--Jan. 27, 2022-- [Charles River Laboratories International, Inc.](#) (NYSE: CRL) today announced the expansion of their strategic partnership with Chicago, Illinois-based [SAMDI Tech, Inc.](#) Under the existing partnership, established in 2018, SAMDI Tech clients have access to Charles River's collection of lead-like compounds for high-throughput screening (HTS). The expanded agreement establishes Charles River as the exclusive partner for the promotion of SAMDI Tech's technology. This partnership will provide Charles River's clients seamless access to the premiere, label-free high-throughput screening mass spectrometry (MS) platform in drug discovery.

The SAMDI technology combines self-assembled monolayers and MALDI MS, and addresses the throughput and sample preparation limitations of traditional MS screening methods.

The combination of Charles River's end-to-end portfolio and industry-leading scientific bench with SAMDI Tech's innovative technology and expertise in assay solutions has the potential to significantly accelerate and augment clients' discovery efforts by measuring biochemical activities and binding events for virtually any target.
