Item 8.01 Other Events.

As previously disclosed in the Proxy Statement on Schedule 14A that Charles River Laboratories International, Inc. (“**Charles River**”) filed on July 1, 2010, both Charles River and WuXi PharmaTech (Cayman) Inc. (“**WuXi**”) filed Notification and Report Forms with the Antitrust Division of the Department of Justice (the “**Antitrust Division**”) and the Federal Trade Commission (the “**FTC**”) pursuant to the Hart-Scott-Rodino Antitrust Improvement Act of 1976, as amended (the “**HSR Act**”), on May 11, 2010. As a result, the waiting period under the HSR Act with respect to the proposed acquisition of WuXi by Charles River (the “**Transaction**”) was scheduled to expire on June 10, 2010. Charles River voluntarily withdrew its Notification and Report Form on June 8, 2010 and re-filed the form on June 10, 2010, thereby extending the waiting period under the HSR Act an additional 30 days to July 12, 2010. The re-filing was a procedural step to provide the staff at the FTC with an additional 30 days following the re-filing to review the information submitted by Charles River and WuXi. Following the re-filing, the new waiting period under the HSR Act was scheduled to expire at 11:59 p.m., New York City time, on July 12, 2010, unless terminated earlier or extended by request for additional information.

On July 12, 2010, Charles River received a Request for Additional Information (commonly referred to as a “**second request**”) from the FTC requesting additional information relating to Charles River’s viral clearance services, cell line characterization services and lot release testing services businesses. This second request extends the waiting period imposed by the HSR Act until 30 days after Charles River has substantially complied with the second request unless that period is extended voluntarily by Charles River or terminated sooner by the FTC. Charles River intends to fully cooperate with the FTC.

Completion of the Transaction remains subject to the approval of both Charles River and WuXi stockholders and the satisfaction or waiver of the other closing conditions specified in the acquisition agreement between Charles River and WuXi. As previously announced, Charles River has scheduled a special meeting of its stockholders, to be held on August 5, 2010, to consider and vote on the issuance of shares of Charles River common stock in connection with the Transaction.
